About ABCO:

Situated on the harbour of the UNESCO World Heritage town of Lunenburg, Nova Scotia, ABCO Industries Inc. (ABCO) is a world-class supplier and manufacturer of engineering metal products with historic roots dating back to 1947.

Located on the original site of 'Camp Norway', a Norwegian military training facility built during WWII, ABCO operations are housed in a 42,000 sq ft facility and currently holds four distinct manufacturing branches including Food Machinery, Marine, Environmental, and Industrial.

Each division is managed and supported by experienced, knowledgeable specialists. With 75 + years of experience, this locally owned firm remains committed to providing our customers with the highest standard of quality and value while ensuring innovative, customized solutions.

Workplace Culture:

ABCO is committed to the health and safety of all employees, and we are proud of our diligent safety culture. Our personnel adhere to all company health and safety procedures, always striving to keep ABCO safe and accident free.
